

THE WILDLANDS CONSERVANCY

WHITEWATER PRESERVE

Teacher Checklist

EACH STUDENT SHOULD ARRIVE WITH:

- A nametag. Pin-on cards or yarn necklaces with hanging cards work best.
- Sturdy closed-toe shoes that can get dirty or wet. No sandals.
- A large water bottle or canteen filled with water to avoid dehydration.
- Sunscreen and/or a hat. There is the potential for sunburn any time of year.
- An extra layer of clothing. Weather changes occur unexpectedly any season. It is your responsibility to check the weather report prior to your visit.
- A bag lunch. **If students cannot pack lunch waste into backpacks – bring trash bags for your students.**

PLEASE MAKE SURE YOU MAKE THE FOLLOWING PREPARATIONS:

- Send "Letter to Parents" home with students, prior to fieldtrip, to ensure students are prepared.
- Make sure your bus driver has directions to the preserve.
- Arrange for one adult chaperone to accompany every 10-12 students. Provide chaperones with "Chaperone Guidelines" prior to fieldtrip date. Chaperones are expected to actively assist and monitor groups.
- Make sure all chaperones know that smoking is prohibited during Education Programs. Smoking is **only** allowed in your personal vehicle and **only** in the parking lot outside the main gate.
- Notify Preserve staff prior to fieldtrip of any medical conditions, special needs, allergies, or injuries, so that we may provide a quality experience for all students.
- Make sure all students visit the restroom **BEFORE** leaving school. We have very limited restroom facilities!
- If your fieldtrip is during late spring or fall, bring **a case of extra water bottles** as back-up for your students.
