16019 Maricopa Hwy. Bakersfield, CA 93311

wildlandsconservancy.org

THE WILDLANDS CONSERVANCY

# Wind Wolves Preserve is open from 8am-6pm everyday, except for some holidays.

## EcoKidz

Parents come out and enjoy a free outdoor activity with your kids. Activities vary from bird watching and bird nest building, painting or using oil pastels to create masterpieces in nature, and reading children-friendly books outdoors. Best for ages 4-12.

## Night Hike

This two-hour hike will involve stargazing or moon viewing, depending on the lunar cycle. Naturalists will discuss nighttime wonders such as nocturnal animals and sensory awareness activities. Blacklights may be provided to discover glow in the dark critters, and to see how we stand out compared to our dark environment. Ages 6 and up (no strollers). Please note that the starting times for this hike vary according to sunset time. Bring flashlights!

## San Emigdio Express

This is a weekend shuttle service to catch a ride along the historic El Camino Viejo (The Old Road) to trailheads within San Emigdio Canyon. Express runs start at 8:30am, 12:30pm, and 3:30pm. Catch a ride with us for more hiking opportunities! The 3:30pm shuttle run is mainly a pick up service for hikers up canyon. *Please note: this is not a tour, and this shuttle service is first come, first serve.* Pick up an express map at any of our kiosks to see all of the drop off and pick up locations!

## Backcountry Safari

This backcountry tour will allow you to visit our “Authorized Access Only” areas. Tours will include animal sightings, natural history, Native American history, rock art, wildflowers (seasonal) and much more! The tour vehicle has an air conditioning and heater system, for the comfort of our riders. Involves mild hiking at scenic spots. Please call for more details.

## Volunteer Days

We need your help! Our volunteer events are fun and rewarding, allowing you to meet new people, learn and share knowledge, and make a positive difference for the plants and animals that live on the preserve. Working alongside rangers, you have the opportunity to save endangered species, remove invasive plants, work in our native nursery, monitor species populations, and more. All ages welcome!

## Movies in the Canyon

Featuring The San Emigdio Canyon Sunset Theater, a relaxing evening awaits for visitors who come up to Wind Wolves Preserve for a picnic dinner and a family friendly movie, all while being surrounded by beautiful views. Bring your picnic dinner, flashlights, chairs, and blankets. All movies are rated G or PG. Due to copyright laws, we cannot advertise the movies - so contact us to find out what we'll be showing! The San Emigdio Canyon Sunset Theater is located near the administration building, with parking close by. All ages welcome!

**Please note that programs and hikes may be canceled in unsafe weather conditions or if no reservations are made. Wind Wolves staff will always inform participants of a cancellation.**
